

EU IVDR General Statement

To Whom It May Concern:

NorComp products, to the best of the Company's knowledge and after good faith inquiry, do not contain EU IVDR declarable substances related to the European Union In-Vitro Diagnostic Medical Device Regulation EU 2017/746 ("EU IVDR").

The information on NorComp products in this letter is based upon the information provided by the material suppliers and assembly manufactures used by NorComp to manufacture these products. As such, NorComp makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information.

In addition, to identify the chemicals present in our components and raw materials, NorComp relies on material declarations provided by suppliers. NorComp full material declarations can be found at the below page on NorComp's website:
