

Toxic Substances Control Act

The U.S. Environmental Protection Agency (US EPA) issued five final rules on January 6, 2021 to reduce exposures to certain chemicals that are persistent, bioaccumulative and toxic (PBT) under Section 6(h) of the Toxic Substances Control Act (TSCA).

Further details can be found at the URL below:

In effort to ensure compliance, NorComp has conducted a thorough analysis of our total product offering. The results of this analysis conclude the vast majority of NorComp parts are compliant with the new rules issued under Section 6(h) of the Toxic Substances Control Act passed by the US EPA on January 6, 2021.

For compliance documentation on a specific NorComp part, please contact the NorComp Environmental Regulations Division at environmentalcompliance@norcomp.net.
