

PFOA General Statement

To Whom It May Concern:

NorComp products, to the best of the Company's knowledge and after good faith inquiry, do not contain Perfluorooctanoic Acid (PFOA), its salts and PFOA-related substances above the indicated levels set forth in the EU Directive 2017/1000 and are therefore compliant with the said Directive.

The information on NorComp products in this letter is based upon the information provided by the material suppliers and assembly manufactures used by NorComp to manufacture these products. As such, NorComp makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information.

Thank you for your interest in NorComp products.
