**(Product Change Notification)**

Monday, July 29, 2013

PCN# 070113

To Whom It May Concern:

Please be advised NorComp has discontinued the 680, 681 and 684 Power/Combo D series. They are being replaced with the 680M, 681M and 684M Power/Combo D series. Updated drawings are located on the NorComp web site at [www.norcomp.net](http://www.norcomp.net).

Change Description: The discontinued 680, 681 and 684 series connectors had stamped signal and machined power contacts. The new 680M, 681M and 684M series connectors has all (both signal and power) machined contacts. These are also now available in IP67 (680S, 681S & 684S) versions with drawings available on our website ([www.norcomp.net](http://www.norcomp.net)).

We appreciate your understanding as we strive to offer you the most current information regarding our product.

Please confirm receipt & acceptance of product change notification (by returning signed copy by fax or email) and contact us if you need any additional assistance.

Regards,  
Pam Jenkins
