(Product Change Notification)

Friday, May 1st, 2026

PCN# 040726

To Whom It May Concern:

Please be advised NorComp will be changing the plating type applied to the list of part numbers shown on the subsequent page of this notification; this change will align NorComp's product offering with the current industry standard.

The part numbers listed will be changed from full gold flash plating to selective plating (gold flash plating will be applied in the mating area and tin plating will be applied on the solder tails).

NorComp does not anticipate this plating application change to cause any issues within our customer's applications. If you have any technical questions, please reach out to eng@norcomp.net.

This will be a rolling change as our stock from the previous plating type is used.

Please confirm receipt & acceptance of product change notification (by responding to the email you received this notification through). If you have any questions or concerns, please feel free to contact us at sales@norcomp.net.

Regards,

Joshua Kadel
Engineering Lead
Fax: 704-424-5648

A handwritten signature in black ink, appearing to read 'Joshua Kadel', written over a light blue horizontal line.
