PCN# 5142024

To Whom It May Concern:

In efforts improve the quality and performance of NorComp's IP67 circular cable assemblies, small geometry changes have been made to the straight and right angle over molds (shown on page 2) associated with the part numbers listed on the page 3.

Form, Fit, and Function will remain unchanged for all parts numbers. NorComp does not anticipate these slight changes to cause any issues within our customer's applications. If you have any technical questions, please reach out to [eng@norcomp.net](mailto:eng@norcomp.net).

This will be a rolling change as our stock from the previous design is used.

Attached to this PCN are the updated drawing revisions that reflect the changes referred to above.
